Gamified scenario
based learning &
assessment

 YOU

You got a message, would you like to read it?

Real life stories and people

(You and Sana have walked to the dog park)

Access for All

FREE DISABILITY AWARENESS 3D SIMULATED TRAINING APP

Designed for mainstream health
professionals, administrators and students

DOWNLOAD IT NOW

*Funded through the NDIS Information
Linkages and Capacity Building Program*

Well done! Queensland government agencies are obligated to provide access to interpreter services.
