Industry Engagement – School-based Traineeship Opportunities

**Students are the next generation
of our future health workforce!**

Benefits of school-based traineeships

- Enthusiastic and motivated workforce
- Fresh perspective, new ideas and different approaches
- Grow your own future workforce trained in your business systems, processes and approaches
- Employer financial incentives
- Build loyalty, satisfaction and staff retention
- Trainees study a nationally recognised qualification while learning hands-on skills – greater employability
